

At St. Joseph Public Schools, we are committed to preparing students for the future, with state-of-the-art technology and innovative school programs. With that in mind, we are very excited to launch a high-quality online option for families in our district: **St. Joseph Virtual Schools**. Our new virtual program offers tuition-free, flexible, student-centered, on-line classes for grades K through 12 with the same level of excellence that you've come to expect from our world-class brick and mortar schools.

**“...Where Innovation Meets
Relationships and Great
Instruction”**

**-Dr. Thomas Bruce, St. Joseph
Superintendent**

St. Joseph Virtual Schools offers fully-accredited, online courses taught by highly-qualified teachers who help provide a personalized learning experience for every student. Students can learn whenever and wherever works best, with engaging, accredited courses. **St. Joseph Virtual Schools** is tailored for homeschooling families; advanced students who work through courses rapidly; students who read or learn at a slower pace than their peers; students who need a different learning environment; and students who require a flexible schedule. The school offers more than 400 accredited courses, such as world languages, fine arts and other electives, advanced placement classes, honors, career and technical education classes, and college and career readiness classes. In addition, **St. Joseph Virtual Schools** students have the option to participate in extracurricular opportunities and social activities at their home St. Joseph School.
