

Dear Parents,

Research has shown that cooperation and communication between home and school increases a child's chances of being successful in his/her learning. This agreement between school, parent, and student clarifies the roles and responsibilities of everyone involved. Each person signs an understanding of and a commitment to his/her responsibilities.

Please read the agreement carefully and sign the parent section. We are also asking you to read and discuss the student section with your child. He/she should sign the student section. When completed, please return the loose, signed copy of agreement to your child's teacher.

Thank you for your support! The staff at Lincoln School looks forward to building a strong partnership with you in the growth and development of your child.

Sincerely,
Craig Hubble
Principal
